

St Patrick's RC Primary School

Eco School Council Minutes

Date: Tuesday 24th January 2017

Time: 12 noon

Location: Miss Banks' classroom

Attendees

Mrs Campbell, Miss McCreavy

Euan Lawless - Yr 3

Bradley Wilkinson -Yr 5

George Sutcliffe - Yr 5

Kobey Preston - Yr 6

Timileyin Folorunso -Yr 6

Hazel Davies - Year 2

Alyssa Bunce - Yr 4

Saoirse Leighton

Caleb Li - Year 2

Apologies

Chn discussed how they empty the bins as there has been some confusion over the process. They decided the best practise was to knock on the classroom door once and wait for response then empty the bin **inside** the classroom, as advised from Mrs Baugh. If the teacher wants them to empty the bin outside the classroom the children should do this.

Big hotel sheets - Mrs Campbell to sort (Completed 24/1/17 George and Timelyin have placed these in the bug hotels)

Chn reported we need approx. 3 new bins as 2 are cracked and it can be dangerous and there isn't a bin in the photocopying room. -

St Patrick's RC Primary School

Bradley agreed to speak to Mrs Skotnicki .
Suggestion from Hazel to put the class names on bins so they don't go missing.

George to discuss quality of bin bags with Mrs Baugh.

Work for display

Meter readings graph for display. Ewan and Ava to sort for display. To do Weds 25th Jan 2017.

George volunteered to write a piece of work explaining his role as eco councillor.

Pictures of chn doing their daily jobs to be taken this week.

The team have suggested they each get a badge to show they are ECO councillors. This way, other chn and staff know who they are and can ask them any questions /advice about their role.

Chn have agreed to come to Miss Banks' class on Thursday for some filming to go on website/QR code for display. Mrs Campbell to liaise with Mr Kenmure. The chn will say what they do as an eco councillor and what their favourite parts of the role are and what they might find challenging.

St Patrick's RC Primary School

Next official meeting - to discuss action plan alongside Miss McCreavy to link with Geography theme. - **Tuesday 28th Feb 2017**
