The council were briefed on the plans for Switch off Fortnight. All chn agreed to go back and tell their classes all about it!

George suggested councillors check their other classes in their unit for the competition - do not check your own classroom!

The prize for the winning class was to name the new chickens.

Saoirse volunteered to check the meter reading with Mrs Baugh every day and record the reading on the display board. Saoirse went to see Mrs Baugh to confirm arrangements.

Miss Banks went through the action plan and explained what the counillors needed to do to complete the action plans. This is important so we can create a new action plan for the new year. Children put themselves into pairs and completed the action plan.

Dates of next meeting - Tuesday 6th
