

How is St. Patrick's accessible to children with SEND?

The school has the following facilities which assist access to the school and its curriculum;

- Single-floor layout (except unit 4)
- 2 disabled toilets
- Shower / changing facility
- Pupil hoist
- Ramps
- Widened doorways
- Carpeted classrooms (to aid acoustics for hearing impaired pupils)
- Whiteboards in each classroom (to aid asthma sufferers)
- Blinds on all classroom windows (to prevent glare and aid visual quality)
- Disabled parking bay
- Quality First teaching - embracing visual, auditory and kinaesthetic strategies and a differentiated curriculum
- ICT software (including Clicker6)
