

WALT – write psalms about Creation

Seeing God in Creation – Adapted from psalm 19

How well the sky shows God's glory!

How clearly it shows what he's done.

Each day it tells it to the following day,

Every night repeats it to the next.

No speech or words are said, no sound is heard.

Yet their message goes out to all the world

And is heard at the end of the earth.

God made a home in the sky for the sun

It comes out in the morning like a happy child,

Like a cheetah eager to catch its prey.

It begins at one end of the sky and goes across to  
the other.

Nothing can hide from its heat.
