Seeing God in Creation – Adapted from psalm 8 and
139

O Lord,

Your goodness is seen everywhere on earth!

You see me no matter where I am,

Whether I am working or resting.

Before I speak,

You already know what I will say.

You are all around me,

On my left, on my right, in front of me.

The darkness is never dark for you even the darkest nights

Are as bright as day light.

You created us for a reason,

that's why we're here.
